Invitation to the NOME Annual meeting and Start-up Competition on October 24, 2017

On behalf of the Nordic Mentor Network for Entrepreneurship (NOME) we would like to invite you to the NOME Annual meeting and start-up Competition on October 24th, 2017 in the Mærsk tower, Copenhagen.

What is NOME?

NOME is the first pan-Nordic mentor network connecting the best life science entrepreneurs with handpicked internationally renowned mentors. The concept is simple: We link the very best Biotech, Medtech and E-Health start-ups in the Nordics with some of the most successful and experienced investors, serial entrepreneurs and high profile life science executives to assist the next generation of innovators to flourish and succeed.

NOME is operated by Accelerace and funded by the Novo Nordisk Foundation. The initiative is represented in the Nordic region and the US through partnerships in Denmark, Sweden, Norway, Finland and in North Carolina. Read more on www.nome.nu.
