## ➤ General Information

On behalf of the Organizing Committee, it is our great pleasure to welcome you to participate in the 2019 International Conference on Biotechnology and Bioengineering, which will be held during September 25-28, 2019 in Poznan, Poland.

ICBB2019 is co-organized by Asia-Pacific Association of Science, Engineering and Technology, [Institute of Bioorganic Chemistry-Polish Academy of Sciences](#) and [Chinese Journal of Biologicals](#), in collaboration with multiple academic affiliations.

It has been designed to provide an innovative and comprehensive overview of biotechnology and bioengineering, and will feature a mix of invited speakers drawn from a wide variety of backgrounds and experiences. The main objective is to bring people together from diverse disciplines to review the newest progress, the tentative topics are ranging from 1. Microbiology, virology, cytology and immunology; 2. Biological macromolecules, proteins and nucleic acids; 3. Biomaterials, biopolymers and bioenergy; 4. Biomedicine, biopharmaceuticals, pharmacology and toxicology; 5. Agricultural & food science and industrial biotechnology; 6. Applications in bioengineering, biomedical engineering & technology and other related fields and other related aspects.

ICBB is an academic conference since 2012. Previous ICBBs were held successfully in Budapest-Hungary; Offenburg-Germany; Bangkok-Thailand; Singapore; Lahore-Pakistan; Hong Kong & Beijing-China.

Poznań is a centre of trade, sports, education, technology and tourism. It is an important academic site, and is also the seat of the oldest Polish diocese. The city's most renowned landmarks include Poznań Town Hall, the National Museum, Grand Theatre, Poznań Cathedral and the Imperial Castle.

We hope that you will enjoy the wonderful panorama and taste the delicious foods while in Poznan! Looking forward to seeing you at this significant event.

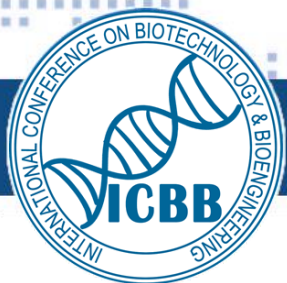

Please also bring this notice to the attention of any of your colleagues and students who may be interested in this conference.

Thanks and best regards.

## Organizers

Asia-Pacific Association of Science, Engineering and Technology  
Institute of Bioorganic Chemistry - Polish Academy of Sciences  
Chinese Journal of Biologicals

### ➤ Conference Themes

Tentative topics of the conference include but are not limited to:

1. Microbiology, virology, cytology and immunology;
2. Biological macromolecules, proteins and nucleic acids;
3. Biomaterials, biopolymers and bioenergy;
4. Biomedicine, biopharmaceuticals, pharmacology and toxicology;
5. Agricultural & food science and industrial biotechnology;
6. Applications in bioengineering, biomedical engineering & technology and other related fields. More details please visit the conference website to be updated:

<https://www.icbb.ibch.poznan.pl/>

### ➤ Call for Abstracts

An abstract should be submitted in MS-Word file, at about 200-300 words, including title, authors, affiliations, address and corresponding author, and acknowledgement if any.

- ✧ **Oral presentation:** The speaker will have 20-25 min (15-20 min for presentation, 5 min for questions and answers). Speakers are requested to submit a Power Point presentation one day before the conference.
- ✧ **Poster presentation:** Posters will be displayed as a portrait of A0 size, approximately 90 cm x 110 cm. Text should be written in English.

\* While authors should indicate their preference for Oral or Poster presentation, the final decision will rest with the Conference Scientific Committee.

### ➤ Publication

All accepted abstracts will be published in conference abstract book. Based on authors' intention and revision, selected full papers will be considered for publishing in Conference proceedings or Special Issue of impact journal.

### ➤ Registration

Generally, there are 3 steps to finalize your registration process:

- Step 1. Fill in registration form (download from conference website) and send back by email at [icbb@apaset.org](mailto:icbb@apaset.org);  
Or submit online registration form at <https://www.icbb.ibch.poznan.pl/registration/>
- Step 2. Submit your abstract for review (Optional for listeners)
- Step 3. Acceptance, confirm the registration and finalize the payment

\* All registration data that submitted to us will be treated confidentially. Registration will be on a first-come first-served basis, registration is valid only after payment of the registration fee.
