### WELCOME TO PRAGUE

Prague, City of a Hundred Spires, a UNESCO monument and one of the most beautiful cities in the world.

Get to know it in person!

The Old Town Hall with the famous Prague Astronomical Clock. The winding lanes of the Jewish Quarter, which you know from the novels of Franz Kafka, steeped in the legend of the Golem. Cafes enticing you to come and have a seat, boutiques and sight-seeing cruises on the Vltava. The Gothic Charles Bridge and Church of St. Nicholas in the Lesser Town, the most beautiful Baroque church in Prague. The Palace Gardens set away from the bustle of the city, Petřín with a lookout tower reminiscent of a small Eiffel Tower and Prague Castle... Each of Prague's districts has its own unique atmosphere and charm. Prague presents itself as cosmopolitan, and is used to welcoming foreigners. It is time to get acquainted.
