SYNAPSE - LIFE SCIENCE CONNECT

LIFE SCIENCE CAREER FAIR '20

OFFICIAL INVITATION

Last September, we hosted our biggest Life Science Career Fair so far in the Maersk Tower (University of Copenhagen) with more than **450+ students** (BSc, MSc, PhDs) from different educational backgrounds and different universities and more than **15+ life science companies and organizations** from all across the Copenhagen area. Among the participating companies at our Life Science Career Fair 2019 were **Coloplast, BCG, Novo Nordisk, LEO Pharma, Roche**, and many more. And this year, we want to go even bigger!

Synapse - Life Science Connect is a student-driven, **non-profit** organization in the Copenhagen Area that creates events, workshops, and networking opportunities for students and young professionals with an interest in pursuing careers in the life science field. We are a thriving organization consisting of dedicated volunteers striving to bridge the gap between academia and industry.

Invitation to our annual
LIFE SCIENCE CAREER FAIR

Anno 2020

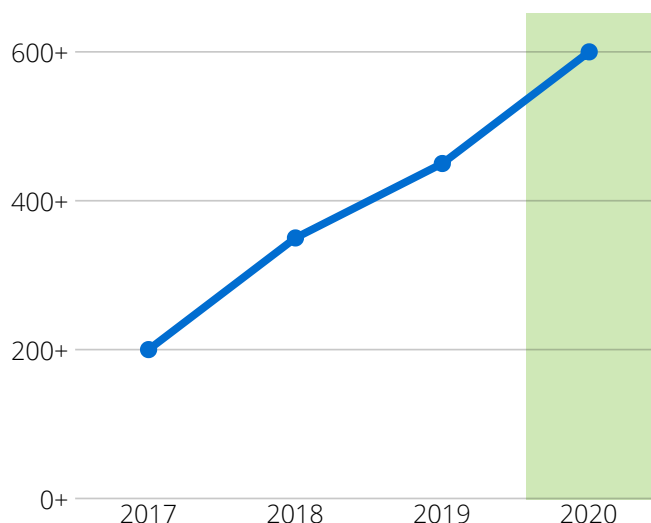

In recent years, we have seen an increasing interest in our annual Life Science Career Fair, and this is a strong indication of the **booming curiosity** and interest among students in exploring a private sector life science career.

This year, we expect to host more than **600+ students** (BSc, MSc, PhDs) from all across the life science field and to have more than **20+ life science companies and organizations** represented.

The Life Science Career Fair '20 is a one-of-a-kind opportunity for your company to engage with **highly motivated and interested students** in a unique networking setting. Furthermore, this event would improve your social media presence with access to key student networks through our established channels - last year's event reached **more than 15,000 relevant users** through Facebook, LinkedIn, etc.

We hope to see you at our Life Science Career Fair '20!
