

Introduction to The Danish Biotech Salary Survey 2023

Venue: Digital
Date: 28/03/2023
Time: 10:00 - 10:30

Finding the right balance between salary costs and the ability to attract and retain key talent is crucial to company performance in our industry. For this you need market data.

The upcoming Danish Biotech Salary Survey will give you unique insights in 20 biotech specific jobs such as Research Scientist, Laboratory Technician, Project Manager, Patent Attorney, QA Manager, and Biostatistician.

Danish Biotech Salary Survey in short:

- A salary survey specifically developed for the conditions in the Danish biotech industry
- Tailor-made job catalogue with hard to find data for biotech specific jobs
- Detailed data on salary components, including incentive plans, pension and company car
- Salary data segmented after geography and company size

Introduction webinar

All interested parties are invited to an introduction webinar on **Tuesday, March 28 from 10:00-10:30**. Please register [here](#).
